Constitutional Amendment C

Title: A Constitutional Amendment Requiring Three-Fifths Vote for Approval of Ballot Measures Imposing Taxes or Fees or Obligating over $10 Million.

Attorney General Explanation:
Currently the constitution requires that any new tax or tax increase must be approved either by voters or by two-thirds of the members of each legislative branch. To be approved by voters, such a measure must obtain a majority of the votes cast. This constitutional amendment requires that any initiated measure, proposed constitutional amendment, or referred measure imposing or increasing taxes must obtain three-fifths of the votes cast to be approved.

This constitutional amendment also adds the requirement that any initiated measure, proposed constitutional amendment, or referred measure obligating the state to appropriate $10 million or more in any of the first five fiscal years must obtain three-fifths of the votes cast to be approved.

This constitutional amendment additionally requires any initiated measure, proposed constitutional amendment, or referred measure which imposes or increases fees to obtain three-fifths of the votes cast to be approved.
